Re: Farewell

Dear friends and patients,

After 25 wondrous years as a clinical audiologist at The Audiology & Vestibular Center and now Kendall Audiology & Hearing Aid Center, I have decided to resign from my position to concentrate on my own health and that of my ailing parents. It is with a heavy heart that I make this decision for I will miss my colleagues and patients enormously. I take great comfort in knowing that I leave you in excellent care. You will continue to receive the utmost professional hearing healthcare in the loving and caring environment that you have come to know from our office and staff. You have the added benefit of working with the 2 new wonderful audiologists that I personally know and highly respect.

I wish to thank all of you for the trust you've placed in me as your hearing healthcare provider for so many years. It has been a great joy in my life to treat and assist all of my patients with their hearing needs. I will always look back on my time with each of you with great fondness.

Thank you again for the pleasure of knowing and working with you. It has been my honor.

With my very best wishes,

Elizabeth Herrera M.S.,CCC-A  
Clinical Audiologist

Re: Despedida

Queridos amigos y pacientes,

Despues de 25 años maravillosos como su audiologa en el Centro de Audiologia, e decidido renunciar de mi puesto para concentrarme en mi salud y el cuidado de la salud de mis padres. Esto es una decision muy dificil para mi por la razon de que voy a extrañar muchisimo mis pacientes y colegas. Me da animo sabiendo que los dejo en buenas manos. Seguiran recibiendo un cuidado excelente de nuestra oficina con el cariño que siempre le hemos brindado. Las 2 audiologas nuevas son bellas personas que yo conosco personalmente y valoro y respeto mucho su profesionalismo.

Quisiera darles las gracias por tener confianza y fe en mi para cuidar de su audicion en estos años. A sido un gran placer y honor trabajar con cada uno de mis pacientes. Les agradecere su amistad y amabilidad para siempre.

De nuevo, muchas gracias y bendiciones para todos ustedes

Atentamente,

Elizabeth Herrera M.S.,CCC-A  
Clinical Audiologist
